

BURNING SPEAR MEDIA

A key part of the struggle for African people around the world to unite and control their own diamonds, land and resources is the struggle to get the word out through African media.

Burning Spear Media is consciously biased on the side of the oppressed African working class and presents the worldview of African people everywhere struggling for African liberation.

Burning Spear Media includes:

UhuruRadio.com

- Talk shows and revolutionary African music
- Live broadcasts from St. Petersburg, FL every Sunday
- Live broadcasts from Azania (South Africa) coming soon!
- Goal to broadcast 24/7

Internet Cafés

Cafés throughout Africa where people can congregate to listen to Uhuru Radio and access other Burning Spear Media audio, video and publications.

News Bureaus

- Train correspondents from throughout the African world
- Supply news from around the world to *The Burning Spear* and other African papers

Burning Spear Productions

- Burning Spear Records
- Speeches and conferences on CD and DVD
- Coming soon: full length documentary on the conditions of African diamond workers
- Available at www.BurningSpearMarketplace.com
